Dated, Panchkula the 16th November, 2016

Subject: - Guidelines for conducting written examination for persons with Disabilities of Haryana Staff Selection Commission.

.....

Reference on the subject cited above.

2. In this regard, it is intimated that many PHC/ Blind Candidates have made complaints in the Commission Office that Center Superintendents do not allow writer/Scribe to PHC/Blind Candidates. All Principal/ Center Superintendents of Examination Center had already been requested that if PHC candidates directly report at examination centre with writer/Scribe then centre superintendent may allow writer/Scribe after taking application and necessary documents in this regard.
3. Keeping in view the request of Blind/PHC Candidates and for their convenience, all Center Superintendent are again requested that if PHC candidate who need Writer/Scribe directly report at examination center alongwith all required documents i.e. Admit Card of the candidate, PHC certificate of the candidate issued by medical board, two latest photographs of writer, I.D. proof of writer. Then Center Superintendents may allow writer/Scribe at their own level.
4. It is also intimated that criteria like education qualification, marks scored, age or other such restrictions for the writer/scribe/reader should not be fixed. Instead, the invigilation system should be strengthened, so that the candidate using writer/scribe/reader do not indulge in mal- practices like copying and cheating during the examination.
5. Compensatory time should not be less than 20 minutes per hour of examination for persons who are making use of writer/scribe/reader.
